Revista Latino-Americana de Enfermagem
Call for submission of original and systematic review articles for publication
"Human Resources in Health and Nursing: Training and Practice in the Americas"

The Revista Latino-Americana de Enfermagem (Latin American Journal of Nursing - RLAE) invites the national and international scientific community to submit **original articles** under the theme **"Human Resources in Health and Nursing: Training and Practice in the Americas"**.

The articles approved in this call will follow the regular RLAE publication flow (rolling pass), with the following highlighting:

"The publication of this article in the Thematic Series 'Human Resources in Health and Nursing: Training and Practice in the Americas' is part of Activity 2.2 of Reference Term 2 of the PAHO/WHO Collaborating Center for Nursing Research Development, Brazil."

Submissions should be linked to one of the following topics:

1. Best training and practices in nursing education and research;

2. Gaps in nursing practice, teaching and research and strategies to solve them;

3. Innovation in nursing graduate education and research.

RLAE is a journal available in open access (SciELO, REV@ENF and Portal de Revistas da USP) that publishes in English, Portuguese and Spanish the results of nursing and related areas research of authors from different countries. The journal is indexed in the Web of Science and JCR, Scopus and SJR, MEDLINE (PubMed Central), CINHAL, PsycINFO and LILACS databases among others, and is classified as A1 in the Qualis/CAPES ranking for the Nursing area.
