Revista Latino-Americana de Enfermagem

Call for submission of original articles on the subject

"Innovation in practice, teaching or research in health and Nursing"

The Revista Latino-Americana de Enfermagem (RLAE) invites the national and international scientific community to submit **original articles** under the subject **"Innovation in practice, teaching or research in health and Nursing"**.

This Call refers to a **special issue**, whose objective is to disseminate results of researches on the successful strategies used by Nursing and health related areas within the scope of clinical practice, teaching and research.

Researches must be linked to one of the following topics:

1. Innovative practices in health and nursing based on scientific evidence.

2. Use of information and communication technologies in the field of health and nursing.

3. Working conditions of health and nursing professionals.

4. Leadership for innovations in practice, teaching or research in health and nursing.

RLAE is a journal available in open access (SciELO, REV@ENF e Portal de Revistas da USP) that publishes in English, Portuguese and Spanish the results of research on nursing and related areas of authors from different countries. The journal is indexed in the Web of Science and JCR, Scopus and SJR, MEDLINE (PubMed Central), CINHAL, PsycINFO and LILACS databases among others, and is classified as A1 in the Qualis/CAPES ranking for the Nursing area.
