Revista Latino-Americana de Enfermagem

Call for submission of *original articles* for publication in thematic issue

Universal health coverage: the role of nursing

The Revista Latino-Americana de Enfermagem (RLAE) calls the national and international scientific community to submit **original articles under the theme “Universal health coverage: the role of nursing”**. This call aims to stimulate the publication of original articles which disseminate the contributions and the role of Nursing regarding the demands of universal health coverage established by the World Health Organization (WHO).

RLAE is a journal available in open access ([SciELO](#), [REV@ENF](#) e [Portal de Revistas da USP](#)) that publishes bimonthly in English, Portuguese and Spanish languages the results of nursing and related areas research made by authors from different countries. The journal has great prestige in the scientific community and is indexed in the Web of Science, Journal Citation Reports, Scopus, MEDLINE, CINHAI, PsycINFO, EBSCO and LILACS databases among others, and is classified as A1 in the Qualis/CAPES ranking for the Nursing area.

Target audience: Nurses and health-related professionals.

Journal Theme: Nursing and related areas

Category: Original Articles for Thematic Issue on Universal Health Coverage 2017

Trial process: Peer review

Submission Period: February 1st to April 30th 2016

Platform for submission: <http://mc04.manuscriptcentral.com/rlae-scielo>

Preparation of the paper: Follow the *Instructions for Authors* available at www.eerp.usp.br/rlae

Language of submission: Portuguese, English or Spanish

Publication Language: Portuguese, English and Spanish

Costs for the author: Translation in two languages and Grammar Review (the last only for articles submitted in English or Spanish). Translations and grammar review should be performed only by service providers accredited by the journal.

Publication of approved articles: beginning of 2017 (estimate)
