

**COST TABLE REGARDING THE SUBMISSION AND PUBLICATION PROCESS IN THE *REVISTA LATINO-AMERICANA DE ENFERMAGEM (RLAE)***

Values charged for manuscripts with Brazilian authors			
Type of cost	Amount	Payment method	Additional information
Processing fee	R\$ 500.00	Bank deposit or transfer	The processing fee must be paid after the manuscript is approved in the pre-analysis, before the peer review process begins. The payment receipt must be uploaded in the ScholarOne Manuscripts system in the specific field. The RLAE Editorial Office will send the payment instructions to the authors individually.
Publication fee	R\$ 1,000.00		The publication fee must be paid after the manuscript is accepted for publication, at the end of the peer review and editorial process. The RLAE Editorial Office will send the payment instructions to the authors individually.
Review and translation	Variable cost	To be agreed with the service provider(s)	The reviews and translations must be done, respectively, at the end of the manuscript evaluation process and at the beginning of the editorial process of accepted articles. Costs for reviews and translations are the responsibility of the authors and may vary depending on the characteristics of each manuscript/article and the chosen service provider(s). The RLAE Editorial Office will send the information regarding the review and translation procedures to the authors individually.
Erratum editing fee	R\$ 200.00	Bank deposit or transfer	The erratum editing fee will be charged to authors when there is a need to correct the article after publication, if the error is the authors' responsibility.

Values charged for manuscripts whose authors are exclusively foreign (from outside Brazil).			
Type of cost	Amount	Payment method	Additional information
